BECAUSE OF YOU

July Stewardship Report

Featured Story

DIF Summit Success

In a combined effort with The Stirling Foundation, A Child's Hope Foundation hosted a delegation of eight amazing DIF (National System for Integral Family Development) leaders from three states in Mexico (Baja California, Nuevo León, Jalisco). The outcomes of the week surpassed our expectations and have left us energized, collaborative, and HOPEful.

The objective of the week was three-fold:

- Facilitate and strengthen connections between DIF leaders, A Child's Hope, and our partners
- Understand the context of the work each DIF state is doing
- Generate next steps for each partner to take with DIF in the three states

On one of the days, we introduced all of the delegates to four of our Partners (Back2Back Ministries, The Hope Effect, Both Ends Believing, and Saprea) to hear what programs they provide. The presentations and one-on-one conversations that followed buzzed with excitement and expectation. Clear opportunities were discussed and planned between the states and the respective Partners.

Gaby I., a representative from DIF Jalisco, said: “[The partnership with A Child's Hope is] very valuable, because thanks to you we managed to have this approach [to improving and expanding their services]; otherwise we would not have had it, perhaps it would never have

occurred to us to look for this support in the United States... Now we see that this is not the case; we have many things in common; and above all, we share a love for children, particularly for [vulnerable] children, and we seek the same goal, which is that one day we can say that we don't need more orphanages. I am truly amazed at [A Child's Hope's] work and I admire and appreciate their commitment to children.”

We are so grateful for everyone who contributed to making this summit a huge success. We look forward to more collaboration in the future!

Thank you for your support, for any questions about getting involved in any way, feel free to reach out to Joni.

How You Serve

LOVE IS NEEDED IN THE WORLD

Our family has been going on service trips with ACHF since 2019. It is a very special experience because we get to do something meaningful, interact and play with the wonderful children and staff at the orphanage, experience another culture, work on projects that the orphanage needs, and recognize how much love is needed in the world.

Our kids have become great friends with the Ninos and tears are always shed when we leave. We also gain a better appreciation for our blessings and how we can bless others.

One other thing that we appreciate with ACHF is the Aunt and Uncle program. This program allows us to continue to help the kids after we have left through donations to their well being. And all funds go to the children.

From David DeBry

Trips are \$430/person (\$465 for holiday trips) and do not include travel. They are great for volunteers of all ages! Trips are on average 5 days and 4 nights. Spots are first come, first serve. They depart San Diego midday on Tuesday and return mid-Morning Saturday. For any questions, reach out to Sydney!

Will You Help Us?

MEDICAL EXPENSES

\$1,499

There have been a lot of medical visits, medication, and follow-up visits needed for the kids, directors, and caregivers. Helping support the caregivers is a way of supporting the children to get the care they need.

Thrive Updates

Rancho la Hermosa

MEXICO

THRIVE ASSESSMENT COMPLETED: FEBRUARY 2023

[VIEW IMPROVEMENT ROADMAP](#)

RIGHT TO A STABLE, LOVING & NURTURING ENVIRONMENT

- Caregivers in this home rely on positive discipline to guide the children when correction is needed. Rancho la Hermosa’s collaborators meet with the psychologist to discuss situations to improve their work in caring for the children.

RIGHT TO DIGNITY AND FREEDOM

- The children have access to their own beds and are provided with sufficient underwear, towels and clean sheets. The directors and caretakers encourage the children to respect each other and to live together in a loving and harmonious way.

RIGHT TO SPIRITUAL DEVELOPMENT

- The children belong to a religious community and are very attached to it. They participate in the activities of their community, and the girls are involved in a dance group at the church. The home has religious materials such as books, bibles and music that are easily accessible to the children.

Partner Spotlight

Partner Training Grants In Action

One of the ways A Child's Hope Foundation supports our partners is through Partner Training Grants. These grants are accessible to our Deployment Partners who are seeking resources to help them expand their programs, receive training, and/or deliver trainings.

Recently, Oak Life (our Deployment Partner in Chapala, Jalisco, Mexico) hosted a Director's Conference for directors of children's shelters. Directors from four local shelters were present. The event was held in Spanish, marking Oak Life's first Spanish-exclusive and director-exclusive conference. Session topics included Evidence-Based Administration, Creating a Positive Environment for Staff, Sexual Abuse Prevention, and Family-Building Practices.

We are proud of the work Oak Life is doing to connect, equip, and empower the leaders of children's homes in their region and beyond. They are filling a need for professionalization of workers in the orphan and vulnerable children care space, and we are seeing the impact!

Past Events

Celebrate Hope

THURSDAY, JULY 20TH

Our Celebrate Hope event was a night of fun and connection with our donors and volunteers. We had a great time with our bounce house, snacks, face painting, and in-house DJ! Thank you to everyone that came and celebrated with us! We can't do what we do without support from you. Make sure to take a look at our website to see more upcoming events!

We'd love to connect with you!
