

# Cleaning our Facility

*Have you ever thought about doing a little volunteer work that makes a **BIG** impact?*

*Help us maintain the ACHF headquarters! We've been blessed to share a workspace with multiple other non profits and have all teamed up to keep our space clean and organized. We need a volunteer(s) to come in and clean the bathrooms, vacuum the office space and take out the garbage.*

*We'll gratefully take a one-time or several week/ month or ongoing commitment!*

*This is a great, low stress opportunity for an individual or a great way to get your family or youth group to work together and serve!*

*Once a week for one hour is ideal.*
