

# Cleaning our Facility

*Have you ever wanted to do a little volunteer work that makes a **BIG** impact?*

*Help us maintain the ACHF headquarters! We are so grateful for our donated workspace and strive to keep it clean and organized. This involves dusting, vacuuming, mopping and emptying trash.*

*We will gratefully take a one-time, several weeks/ months or even ongoing commitment.*

*This is a great, low stress opportunity for an individual or a fun way to get your family or youth group to work together and serve!*

*Once a week for one hour is ideal. If interested, complete the volunteer form or email [lindseyg@achf.org](mailto:lindseyg@achf.org) with **Cleaning ACHF Facility** in the subject line.*
